Solution Specialists Using Your Standardized Controls

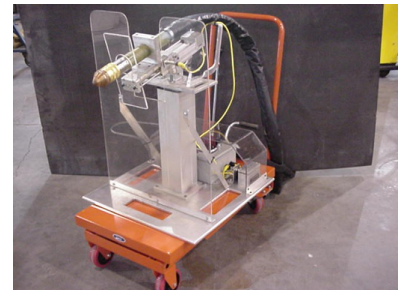

Three Axis Stepper Drive System

- Multi Axis Stepper and Servo Control Systems
- Engineered Drive Systems, AC, DC, or Servo
- PLC Control and HMI Interfaces
- Power Distribution, Motor Control Centers, and Switchgear
- Control Panel Manufacturing
- Electrical, Pneumatic, and Hydraulic Systems
- Material Handling Systems: Installation, Interface, & Control
- Product Training

ARC Voltage Controlled Plasma Cutting Unit

- Custom Machine Design and Fabrication
- Fixtures and Jigs
- Interfacing to CNC and Robotic Equipment
- Pneumatic or Mechanical Pick and Place
- Vision Inspection

Portable Nitrogen Gas Heater

- Heating Equipment, Tube Bundles
- Temperature, Pressure, Flow, Level & pH
- Signal Conditioning, Monitoring & Control
- Wireless I/O and Data Acquisition
- Standard and Paperless Chart Recording
- Single or Multiple PID Loop Control
- Strain Gage and Weight

Operator Control and MCC Buildings

- Licensed Electrical Contractor
- Power Distribution Skids
- E-Houses
- Custom Fabricated Enclosures
- Machine Guarding
- Tube Steel or Extruded Aluminum Machine Frames
- Pneumatic and Hydraulic Piping

We Are A Value Added
Distributor
For Our Customers!

Find us on the web @
www.brozelco.com

MISSION STATEMENT

Our mission is to provide quality products and service to a varying industrial technical market.

Our leadership team is committed to maintaining high ethical standards and integrity in all of our business relationships.

We desire to become an extension of our customer in their pursuit of quality and excellence in their field.

Our goal is our customer's satisfaction and profitability.

If it's unique or too tough for the rest: **"COME TO THE B.E.S.T."**
BROZELCO ENGINEERING & SERVICE TEAM

Complete Design and Fabrication of UL508A Control Panels
